## Chapter 1 by Aiman Mohammed

After tides of war struggling to put our flag on it as every minutes pass by our own men trying to break the wall the Droids stand up on the wall and shoot like seeds of bullets we just put a little hope in ourselves after half a month of we broke into the wall with proud but it gave so much courage we came out instead of taking cover most of over men fall as our commander sit on his from thousands of miles that the reforements are coming we fought to death and our men said for the republic !!! the droids had so much of armor that it takes four to three bullets to take them down

## Chapter 2 by DJNOVA

We all are hopeless, but then we had an idea! We put all the droids in one location, and asked commander if he could call in a bomber at coordinates x:3920923932 y:93932983239. He said yes, so we gathered all the droids, and then we found out it was a trap! Commander was working for the other side, and that's why he was thousands of miles away from us! The bomber ship locked on us, and the droids, and fired, and when the Q.U.R.T. 20 fired, I had just started a new life. I, Kal Rokem will tell you a epic adventure about what happened to me.....
